# Introducing the AHC Events Calendar

- **Why:** Provide a go-to place for AHC events
- **What:** Any event that people can attend
- **Enter once, appear twice:**  
University-wide Events Calendar and  
AHC Events Calendar
- **Future plan:** enter once, appear three  
places—feed on specific website

- **The most important step:**  
Add "**ahc-events**" to section 5, Keywords and Filters. It needs to appear **exactly** as it appears below—lower case, separated by a hyphen (-) and "events" needs to be plural. By adding this tag to your event it will also show up on the AHC calendar.

**ahc-events**

# Enter early, enter often!

- **Call to action:** Get entering!
- We will promote more widely across AHC but it requires individual action...  
**a calendar is only as good as the events entered in it**
- Sparked from leadership and faculty interest in seeing a solution for an AHC events calendar
